

2010 Rim Fire League

(.22 Pistol)

***Eye and ear protection
required at All Times.***

Come join us for the 2010 spring league. Shooting will be held on Wednesday evenings *starting @ 5:30 p.m.* The event is open to both members and the public. The cost is \$5 for the first week and \$3 for each additional week for a total of \$32 for 10 weeks.

So what is this and how does it work?:

You will be shooting at standard NRA 50 foot pistol targets. For each week of the league, you will shoot at three (3) targets, ten (10) rounds each, for a total of thirty (30 rounds) for score. A practice target is available before you shoot for score.

For Score:

- The first target is slow-fire, 10 rounds in 10 minutes.
- The second target is timed, 5 rounds in 20 seconds followed by another 5 rounds in 20 seconds.
- The third target is rapid-fire, 5 rounds in 10 seconds followed by another 5 rounds in 10 seconds.

Why should I do this?

- Want to find out more about us? This is a great way for existing members to meet new people, prospective members to participate and the public, interested in shooting, to learn more about us.
- Prizes for 1st, 2nd, and 3rd place are awarded at the end of the league along with a banquet held at our club house.
